Albany St, Schenectady

FAMILY OWNED AND OPERATED Now in our Third Generation

Founded in 1948 by Fred Spezza Sr., Mohawk Heating was located on Albany St. in Schenectady for 55 years. Fred Sr. passed the business on to his son, Fred Spezza. Now, Mohawk Heating will be a third generation business, with his grandson, Kris Spezza, taking over the reigns at their new corporate headquarters, built in 2003, located at 1694 Duanesburg Rd.

Mohawk Heating is a Premier Lennox dealer, featuring the full line of Lennox heating and air conditioning systems for homes and businesses. For over 60 years, they have prided themselves as your total comfort craftsman, featuring solar, geothermal, radiant, forced air and hydronic systems, as well as whole house generators. Mohawk Heating pioneered the air duct cleaning business with their exclusive SANI-VAC duct cleaning equipment.

For total indoor climate control, Mohawk Heating is your one-stop shop. Their fleet of radio dispatched service trucks are piloted by NATE certified technicians who will guide you in repairing or replacing your equipment. They operate 24/7, 365 days a year.
